

**Summary of key messages and action items**  
**Working Group 1 meeting, 24 August 2015**

**KEY MESSAGES**

Workgroup One is looking at the Goal: *Access to integrated service provision across the lifespan to address the multi-dimensional aspects of autism.*

Working Group 1 reviewed the new group strategy priority and outcome, which will guide future work. With this in mind, the group reviewed the work plan and updated several items. The group plans to invite Julie Haslett, Scottish Government Joint Improvement Team, to the next meeting. She will be asked to give a report on her work on improving the sustainability of the One Stop Shops. The group has also requested a report on the progress of Tommy Mackay's report on microsegmentation. The group would also like to hear more about Self-Directed Support and will consider what specific questions they have before inviting someone to present at a future meeting.
