

Working Group 4 – Draft Agenda - 15th January 2016

1. Welcome, Introductions and Apologies
2. Introduction of new members – Moira Park, Charlene Tait, Jayne Kemp, Jayne Porter
3. Minutes
4. Review of Action Items

From minutes of 31/8/15

1. **ACTION ITEM:** AP to follow up with KF on levels of training at diagnostic facilities across Scotland
2. **ACTION ITEM:** AP to follow up with Edinburgh University on recent ADOS project, which could also provide useful information about diagnostics
3. **ACTION ITEM:** AP to ask Moira Park about current autism training within teacher training programmes (core vs. optional)
4. **ACTION ITEM:** AP to revise Outcome 3, moving the One Stop Shop items into Outcome 1 and revising achievement 4 and what we will do next 4.
5. **ACTION ITEM:** AR to gather data on who attended and what is next for Strathclyde University attenders
6. **ACTION ITEM:** AP to invite Open University to provide data and attend next meeting
7. **ACTION ITEM:** AP to send out timescale for funded project review to the group to seek available volunteers for the review panel
8. **ACTION ITEM:** JR to send poster to AP
9. **ACTION ITEM:** AP to send links to resources on learning disability and bereavement to JR
10. **ACTION ITEM:** Everyone to think about where alert cards are offered and how to access them – send this information to TW for collation.

5. Information on previous training initiatives

Strathclyde

DISCO

Open University

ADOS

6. DISCUSSION - With limited resource, how does the Scottish Government target training initiatives to make maximum impact on the quality of the lives of autistic people? Target specific professions, specific sectors or a specific level or deliver a less focussed and more wide spread training agenda.

7. Any other current business

NSPCC – assessing parenting capacity – Bill Coley

8. Dates for next meeting

9. Close
